## Swansea Spooktacular Event is Sat. Oct 26th @ Melvin Price Park

The Swansea Park Board and the Swansea Patriots will bring back a tradition from the 1980's, with a Halloween party in Melvin Price Memorial Park. The "Swansea Spooktacular" is scheduled for Sat, Oct 26th from 4:00pm until 7:00pm. Among other things, it will feature a pumpkin contest (bring your own decorated pumpkin), games, bounce houses, and food trucks.

Residents, businesses and organizations can also participate through "Trunk-or-Treat" - where they will park their automobiles around the perimeter of the roadway through the park with trunks or hatchbacks open and give out candy. Children will trick or treat by visiting each vehicle and showing off their costumes.

If you participate you might want to decorate your vehicle or trunk in some Halloween theme - being cognizant that

this is a family friendly event and that any decorations should be appropriate for all ages of children.

The enjoyment and safety of those children is very important. So to help ensure that, the event sponsors are requiring that all who intend to provide treats through this Trunk or Treat component complete and submit a participation form. While not wanting to seem overly cautious, the sponsors know that other similar events use this tool to inhibit possible participation by anyone who might be of concern to a parent or the Police Department.

The form is available on the Village's website at [www.swanseail.org](http://www.swanseail.org). Please print it, complete it, and then submit it to the Swansea Government Center, at 1444 Boul Avenue, Swansea, IL 62226, or email to [swanadmn@swanseail.org](mailto:swanadmn@swanseail.org).

Forms should be received no later than Noon on Wednesday Oct 23rd to allow time for processing.

Again, this step is intended to help ensure the safety of all children at the event.

## First Annual Touch A Truck...A Huge Success

On September 14<sup>th</sup> the Village of Swansea hosted the first annual Touch A Truck event for kids. Approximately 750 people came to Swansea Clinton Hills Conservation Park to get an up close view of fire trucks, police vehicles, construction equipment, medical helicopters, as well as classic cars. This event was a collaboration

between the Swansea Police, Fire, Public Works, and Building and Zoning Departments. Thank you to everyone who volunteered and made this a great experience for all who attended. If you missed the event, do not worry the event will return next year with even more fun for the entire family.

# SUMMER USAGE DEDUCTION FORM

## Apply For Summer Usage Deduction

Swansea residents who do not use a deduct meter may still apply for a sewer bill credit to offset charges for water usage that did not enter the sanitary sewer system. This usage typically occurs during the summer with watering lawns, plants and filling swimming pools.

The credit is based upon the difference between the average water consumed on the first two bi-monthly sewer bills issued after May 1st, and the average water consumption reflected on the four bi-monthly sewer bills immediately preceding that same May 1st.

Fifty percent (50%) of the difference between the average consumption for the 'winter' and 'summer' periods is then subtracted from the user's actual water consumption on the next bill. Sewer charges are then calculated on the resulting balance.

To apply, complete the form to the right and mail or drop off as indicated. You must reapply each year, the deadline to apply is Oct. 15th, and you must have lived at the property for at least one year. Those who use a deduct meter are allowed to deduct 100% of the readings through that meter.

# Recycling Flyer—Cut & Save

## Recycling Information:

Recycling more at home does not require much effort if you spend some time to create a comprehensive recycling system. This system starts with having places to store your recycled materials in the house, whether this is a box, bin or bag. Keep the recycling container next to the trash can and it will remind everyone to recycle as much as possible. Clip the flyer to the right to save as a reference on items that can be placed in the recycle bin.

Also, some businesses accept items too. You can drop off plastic bags at Schnucks and CFL light bulbs can be taken to Home Depot.

For more tips and references you can visit: [www.recyclingsimplified.com/residential-resources/](http://www.recyclingsimplified.com/residential-resources/)

# Swansea Family Christmas Program Helps Those In Need

Every year, the "Swansea Family Christmas" program provides assistance during the holidays to many local Swansea residents in need, by providing a holiday dinner and/or gifts. The program is completely funded by donations from generous residents, local businesses and civic organizations, and administered by volunteers. The Village provides a point of contact to help those volunteers effectively reach residents in need. Last year, more than 57 Swansea families, representing 187 individuals, applied for and received assistance.

## IF YOU WOULD LIKE TO HELP

If you would like to help with this effort please consider making a donation to the program this year. Donations typically come from individuals, families, neighborhood associations, civic organizations, churches and businesses.

Donations accepted should be new in the box, unwrapped toys, new clothing, new shoes, and/or a cash donation. Cash allows the volunteers to purchase gift certificates which in turn allows families in need to purchase specific gifts for their children or to buy food for a holiday meal.

Checks in any amount can be made payable to the "Swansea Family Christmas Fund" and mailed or delivered to the Swansea Government Center, 1444 Boul Ave. Please do so no later than **Friday, Dec 6th**. Any other donations may be dropped off to the same location.

Please call the Village with any questions at 234-0044.

## IF YOU NEED HELP

If because of job loss, illness, or some other reason, you may not be able to provide Christmas gifts or a decent meal for your family and could use some assistance, please let the Village know.

There are generous individuals, businesses, and organizations in Swansea who are willing to help individuals and families in these situations. The Village assists that effort by gathering information from residents who need help, and then providing that information to volunteers who distribute gift cards and donations to those families.

In order to be eligible, applicants must be:

- Swansea residents
- Have a genuine need
- Provide current proof of residency and identification.

Applications will be accepted in person at the Swansea Government Center, 1444 Boul Avenue, in the Meeting Room between 8:30 am and 3:30 pm, on the following dates:

Mon, Dec. 2nd, Tues., Dec. 3rd, Wed., Dec. 5th, and Thurs. Dec. 6th. **No late applications will be accepted.**

Applicants should bring both: A current, valid driver's license or State I.D. card **AND** a current public aid card, or current power, water, or sewer bill showing the same name and Swansea address as proof of residency.

## News Briefs

### Trick or Treating Rules

Village ordinances allow children to Trick or Treat on Oct 31st until the hour of 9:00pm. Time is limited for safety reasons. "Children" are considered to be grade school age, not high school. While there is no official 'start time', common courtesy dictates that trick or treating not start too early - generally after 6:00pm - and that children not approach a home where the porch light is not lit.

### Please Follow Trick or Treating Safety Tips

The following tips serve as a reminder to parents and children to be safe when trick or treating:

- Children should not trick or treat alone - they should always be accompanied by an adult.
- Be alert and stay on sidewalks where available or on the far edge of the road facing traffic. Walk, don't run, across the street, and do so only at intersections.
- Walk, don't run from house to house.
- Use reflective tape on costumes to help drivers see you.
- Carry a lit flashlight to help you see and for others to see you.
- Consider face makeup in lieu of a mask, which might impair vision.
- Eat only factory-wrapped treats and wait until parents have inspected them. Accept homemade treats only from family or neighbors who you know very well.
- Never accept rides from strangers.
- Pay attention. Be aware of traffic and things going on around you.
- Put away cell phones or other electronic devices.

### Park Building Updates

The TWM at Schranz Park will close for the season beginning November until March. In addition, the bathrooms at Melvin Price Park and Schranz park will be closed as well.

### Find and Like Swansea's Facebook Pages

### Yard Waste Burning Begins Nov. 1st

While the burning of yard waste is banned in Swansea during most of the year, in the spring and fall the Village lifts that ban for two months, with some restrictions.

Burning of yard waste is allowed for the fall season between November 1st and December 15th, on Wednesday's and Saturday's, and only between the hours of 9:00am and 4:00pm, excluding the Wednesday before Thanksgiving and the Saturday after Thanksgiving. Burning is not allowed on Village streets or within the Village right-of-way. Fires must be attended and kept under control at all times.

While the Village makes this temporary allowance, all residents should consider the impact, burning yard waste might have on their neighbors. Those with asthma or other respiratory issues can be significantly affected by smoke.

Other options available to residents for the disposal of yard waste include mulching leaves with a lawn mower, composting, curb side collection through Republic Services (618 656-6883), or dropping off yard waste at St. Louis Compost, located at 3521 Centerville Ave., in Belleville.
