Swansea Spook-Tacular: The following items were discussed and agreed upon:

Mike thanked all who attended the Aug 28 planning meeting. Parking areas will be marked.

Trunk or treat: no feedback from anyone wanting to participate at this time. Marilyn put in Swansea report and will continue to post. Those who want to participate will contact Chief Johnson and fill out application.

Jim – Lyons will donate candy if needed and Rotary will with what we need.

Fire Dept. will be on site.

Marilyn brought in decorations that are easy to make using gallon milk jugs, toilet paper rolls, inexpensive white fabric. Inexpensive and very effective. Milk jugs with scary faces painted work great with lights and will be used to light the way thru the "Wicked Woods Trail" along Pennseneau. Discussed having school kids paint their own milk jugs in submit for judging?? Marilyn is working on dancing ghosts around the lighted fountain.

Need porta potties?

Game area: suggest roping off with crime scene tape use Pavilion 3. Two bounce houses will cost \$400. No rides due to lateness of season. Put bounce houses back near ball field. Arm bands will be required. \$5 per child or family \$20 per family. Explorers can sell arm bands.

Brian suggested flyers in students backpacks and he will talk to Wolf Branch to save gallon milk jugs. Have students decorate.

We do not have the funnel cake trailer. Check with Schweitzer about food trucks.
