

## **Santa Claus Is Still Coming To Town**

Santa will be arriving this year at the Thompson Center (1501 Caseyville Ave, Swansea, IL 62226) located across the street from Mel Price Park. Santa will begin visits on Saturday, Nov. 28th through Wednesday, Dec. 23rd. While he may be busy at other times re-checking his list, he will be at his new Swansea home each Saturday and Sunday from 12PM – 5PM and Monday through Friday from 5PM – 8PM.

This year will also see a new setting, new changes, and cleaning processes to ensure all guests and Santa's helpers have a healthy and happy Christmas season. Masks and temperature checks will be required to participate with an all-new safe, socially distanced, and affordable photo experience that will still wow kids and parents alike.

Of course, Santa could always use a little extra help this time of year. If you are able and interested, please contact Marilyn Neumeyer at: 618-363-8694.
