

Recycling

Recycling more at home does not require much effort if you spend some time to create a comprehensive recycling system. This system starts with having places to store your recycled materials in the house, whether this is a box, bin or bag. Keep the recycling container next to the trash can and it will remind everyone to recycle as much as possible. For more tips and references you can visit: www.recyclingsimplified.com/residential-resources/

ONLY place these items in the recycling container

Flattened
Cardboard

Paper

Metal Cans

Plastic
Bottles
& Jugs

How to prepare your recyclables
